I am now Selling Out all my Well Located

Butler & Iron Co., Mo., Properties

AT GREATLY SACRIFICED PRICES AND ON EASY TERMS.

My properties in Butler County consist of many vacant and some
nicely improved lots in Poplar Bluff and Harviell, one Two-Story 22-
Room Hotel, one Saloon Building, and one Store Building, located be-
tween Frisco and St. L. I. M. & S. stations in the town of Harviell;
also Wild Lands and numerous Farms, in tracts of 40 acres and up.
My farm lands, both up-lands and bottoms, have a fertile soil well
adapted to the growth of clover and other grasses, also wheat, oats
corn and potatoes, as well as all other farm products raised in South
east Missouri. They are all located within one-half to six miles of
town and two trunk lines of railroad, the St. L. I. M. & S. R'y and the
Frisco system, some of them adjoining the right of way of each rail-
road. They are situated in good healthy settlements, within easy
reach of school houses and churches, and the best of water being ac-
cessible at minimum cost. I have lived in Butler county over a quar-
ter of a century enjoying good health and prosperity, and during these
years I have had chances to select the garden spots of the county. I
am also offering for sale several improved and a number of vacant lots
and a Three-Story 25-Room Hotel in the beautiful Arcadia Valley, all
located in Arcadia, Iron County, Mo. The only hotel in the town, and
is just a few steps from the railroad station and has a good patronage.
My motive for selling is my desire to retire from business, and will
not therefore hesitate to give any one wishing to invest a good bargain
on any of the above properties.

Easter, though very cool, was a
lovely day. The writer took an
early ramble out into the "forest
primeval," and had a good oppor-
tunity to view the infinite varieties
of nature's grandeur. Bryant must
have been in the forest, or just re-
turned therefrom, when he wrote:
"To him who in the love of Nature holds
Communion with her visible forms,
She speaks a various language."
Farmers have been very busy the
past ten days making preparations
for planting corn.
We had frost several mornings
last week, but I do not believe our
fruit, particularly on high ground,
is materially damaged. Should
the weather conditions be favor-
able there will be much corn
planted this week.

Dr. Adams and wife contemplate
making a trip to Chicago in the
near future.

pointment at the First Baptist

ter, Hattie, spent last Sunday visit-
ing J. T. Patterson.

Jr., has rented the dwelling from

in their work in the store.

Miss Elsie Johnston spent Sun-
day with Mr. and Mrs. Charles
Edmonds.

Mrs. Johnston had her millinery
opening last Wednesday. I did
not attend, but I am informed it
was a grand affair.

R. E. Johnston returned home
last Monday after a few days in
St. Louis.

Miss Ethel Hale is on the sick
list.

It pleases us very much to say
that the infant of Mrs. McLeod's
is progressing nicely, although it
was stricken with a hard chill last
week. We wish it a speedy re-
covery.

Mrs. Carty is on the sick list.

We are informed that Miss Sadie
Carty will return home Tuesday
from her visit to the far west.

Mrs. Edmonds and son, Crane,
have the mumps. I suppose they
are having a swell time. The
mumps have gone pretty hard with
James Edmonds, for while he had
them he could not call on his
sweetheart, which he regretted
very much.

Mr. and Mrs. Chas. Bond spent
Sunday with her parents.

BROWNIE.

Called Up in the Night for Chamber-
lain's Cough Remedy.

"We consider Chamberlain's
Cough Remedy the best we sell,"
write J. L. True & Son, of West
Epping, N. H. "We have custom-
ers who think there is nothing like
it for cough. A few nights ago a
man called us up at 2:30 A. M., to
go to our store and get him a bot-
tle of this remedy, as his little girl
had the cough. He knew it would
cure her, for he had tried it many
times before." This remedy is for

Mr. Lewis, the Piedmont Banner
editor, was here Saturday and got
several subscribers and some job
work. If our county editors would
come around to see us once in a
while it would help them in their
business. I never saw Bro. Ake
in Des Arc to my knowledge. It
pays a newspaper man to stir
around a little and see the people.
